Traffic Calming Working Group

Minutes 21.09.26

Present Nick Rayner, Laura Noakes, Richard Morley

Apologies Suzie Howard, David Morris

1. OCC Speed Limit Review
    a. A361 entry to village
        i. David Hingley confirmed his support for PC response to OCC
    b. 20mph within village – response by end November
        i. Review of limits
            1. Retain all current limits with one exception
            2. A361 from Banbury. Currently 50mph (under review to 40mph) to 30mph before Bloxham Grove. Then 20mph during school hours across Warriner frontage. Then 30mph to beyond Chipperfield, followed by 20mph through village.
            3. Propose implementing 20mph at all hours from existing 30mph limit before Bloxham Grove in order to have one consistent limit that is understood.
        ii. Actions to improve implementation
            1. More visual indicators – signage – VAS or static on key routes
        iii. Residents' view
            1. Agenda item for PC meetings in October and November

2. Speed Watch Sessions/Locations

    a. 'A' board 20mph speed watch signs for use at locations when speed watch underway
        i. RAM to get a quote
    b. New equipment
        i. Unipar Sentinel MK II
            1. Digital speed detector and tripod as used in Adderbury. Significant capacity of recording speeds and vehicle details for speed watch. Can be left in situ. Requires less manpower to run a session. £4250 + VAT + delivery. Consider trial with Adderbury unit
        ii. Dual Message Display
            1. Large dual colour LED screen displaying oncoming vehicle speed and a happy/angry face dependent upon speed parameters. Used in conjunction with speed watch as an additional urge to action for driver. £3350 + VAT + delivery
        iii. Grants/Funding Streams
            1. DH £10K fund
            2. S106 for Barford Road traffic calming
            3. S278 Gladmans development – Tadmarton Road
            4. OCC Fund
    c. Locations/Dates

        i. TBA
    d. TVP Formal Speed Watch
        i. TVP Speed Watch Officer advises that TVP will not engage with 20mph enforcement
        ii. Local anecdotal evidence that TVP do this – seen in Broughton and Adderbury
        iii. RAM to follow up with local force

3. VAS
    a. Additional units – to be costed
        i. £3500 + VAT

4. OCC Open Issues – all awaiting feedback from OCC – Review 28.09.26
    a. Primary School update – inc with village walk 27.04.26
        i. Gladmans S278
    b. Church Street footways update – inc with village walk 27.04.26
    c. Pedestrian crossing St Marys Church – inc with village walk 27.04.26
    d. Review Village Walk

5. Pavements – SUSTRANS Report
    a. Propose a footpath survey to highlight width issues conducted by PC
        i. Recruit volunteers for a village walk – PC Meeting

6. AOB
    a. Gates at key entry points to the village – RAM to get a quote

7. Next Meetings
    a. 16.11.26
